

# Single Theme Conference & Live Workshop on NBI / EMR / ESD / Third Space Endoscopy

15th April 2017 - Day 1

Conference & Live Endoscopy  
Workshop

Hotel JW Marriott -  
Sabha III

## Scientific Program

Time	Duration (min)		Topic
0900-0910	10		Welcome & Introduction
0910-0925	12+3		NBI based treatment algorithms for Barrett's
0925-0940	12+3		NBI in Stomach – Normal v/s Pathology
0940-0955	12+3	VL1	Which lesions need further evaluation using Image Enhanced Endoscopy? Indian scenario
0955-1010	12+3		NBI for Colonic Polyps – Essential Classifications for Routine Practice & their clinical significance
1010-1025	12+3		Strategies to improve endoscopic diagnosis of GI cancers
1025-1040	12+3	VL2	Early Esophageal Cancer - Endoscopic Management
1040-1140	60		Live Demonstrations
1140-1255	75	LD2	Live Demonstrations
1255-1335			Lunch
1335-1345	8+2		POEM Masterclass - Indications, Preprocedure & Choice of Instrumentation
1345-1355	8+2		POEM Masterclass - Precautions & Technical tips
1355-1405	8+2	VL3	POEM Masterclass - Complications & their management
1405-1415	8+2		Debate - Colorectal lateral spreading tumor - EMR or ESD ? - EMR
1415-1425	8+2		Debate - Colorectal lateral spreading tumor - EMR or ESD ? - ESD
1425-1435	8+2	VL4	Instrumentation for EMR, ESD & POEM – Newer kids on the block!
1435-1535	60		Live Demonstrations
1535-1635	60	LD4	Live Demonstrations
1635-1735	60	LD5	Live Demonstrations
1735-1820	45	LD6	Live Demonstrations
1820-1830	10		Wrap up - Day 1
1930-2200			Gala Dinner

16th April 2017 - Day 2		
0850-0900	10	Review - Day 1 & Introduction - Day 2
0900-0915	12+3	Complications of EMR / ESD and Management
0915-0930	12+3	Full Thickness Closure Devices & Techniques after Full-thickness resection
0930-0945	12+3	Energy sources and settings for Third Space Endoscopy
0945-1000	12+3	VL5 Endotherapy for Esophageal & Gastric SET's
1000-1015	12+3	New frontiers in Submucosal Endoscopic Surgery
1015-1030	12+3	Current status of Anti-reflux mucosectomy
1030-1045	12+3	Tricks of the Trade - EMR & ESD for colorectal lesions
1045-1100	12+3	VL6 Endotherapy for Spastic GI Disorders
1100-1155	55	VL7 Share & Learn - Selected Short Videos from participants highlighting technical points or dilemmas
1155-1200	5	Wrap up Day 2 & Vote of Thanks
1200-1230		Lunch, Transfer to DMHRC for registered Hands-on participants
1230-1630	240	Hands on Training on porcine models
